

Important Notice to General Public
by
UK India Business Council (UKIBC)

This is to inform the general public that fraudsters in the guise of offering services in the name of the UK India Business Council (“UKIBC”) are extracting monetary benefits from the general public. We would like to inform you that UKIBC does not contact the public via unsolicited calls or emails asking for money or any other type of personal information. UKIBC is not connected, associated, or affiliated in any manner whatsoever with such fraudsters and impersonators. All members of the public and stakeholders are requested to accordingly take note, exercise due diligence and not fall prey to frauds or swindles perpetrated by individuals who impersonate to be employees of the UKIBC.

The fraudsters send attractive fictitious offers to the public through letters and e-mails using false imitations of the letterhead of the UKIBC and purportedly signed by individuals impersonating to be executives/senior officials of the UKIBC. The victims are thereafter persuaded by the fraudsters to deposit money in fraudulent bank accounts towards membership registration with the assurance that they will receive certain assured monetary benefit, inter alia, in the form of investments from companies situated outside of India. We reiterate that our organisation neither collects money from the general public towards membership nor promises any kind of such monetary benefit.

The members of the public affected are suggested to seek legal advice and/or approach the local law enforcement agencies.

The information on our company, products and business activities is available on our official website <https://www.ukibc.com/>.
